## THANK YOU FOR YOUR PARTICIPATION

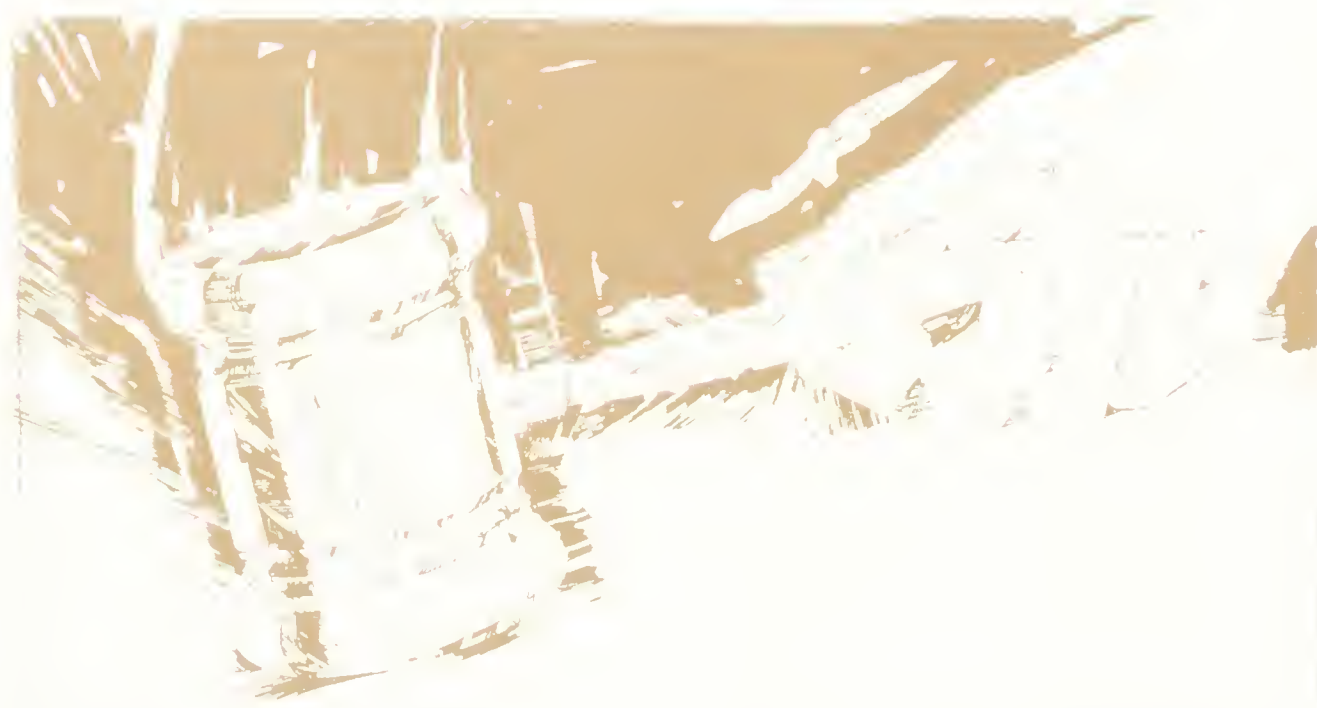

Our next public auction and mail bid sale will be held in Dallas on December 10-11, 1976, at the Hilton Inn. The deadline for consignments is October 11. Because of our cataloging techniques, coins received well in advance of this deadline have the greatest opportunity to be pictured in color. All coins received up to the deadline will be included in the sale and given adequate coverage in the catalog as deserved by the importance of the individual piece.

Auction catalogs will be mailed to prospective mail bidders on or about November 10, 1976. This allows ample time to make bidding decisions.

## Terms Of Sale

1. The highest bidder acknowledged by the auctioneer shall be the buyer. In the event of any dispute between bidders, the auctioneer's determination shall be final. The auctioneer may at his discretion immediately put the lot up for sale again.
2. All bids are to be per lot as numbered in this catalog and no lots will be broken. Bids accepted in whole dollar amounts only.
3. All sales are strictly for cash in U.S. funds and must be paid for promptly upon receipt of the auction invoice and/or the coins. Lots delivered on the floor are subject to all applicable state and local tax, unless appropriate permits are on file with us. Shipping, handling, and insurance charges will be added to invoices for lots delivered by mail.
4. New bidders who have not previously established credit must furnish satisfactory references well in advance of the sale date, or send a deposit of 25% of their bids, applicable to purchases. Any portion of such deposit not used will be promptly refunded after sale. We reserve the right to require payment in full before delivery of the merchandise. Title remains with Steve Ivy Numismatic Auctions, Inc. until all invoices are paid in full.
5. No buy or unlimited bids accepted. Mail bidders will be awarded lots at a 5 – 10% advance over the second highest bid. (See explanation of Bidding in an Unreserved Auction). No commission is charged for executing mail bids.
6. We cannot be responsible for your errors in bidding, so check your bid sheet carefully. When identical mail bids are submitted, preference is given to the first received.
7. Estimates represent the cataloger's professional opinion as to what the lot should bring. In any event they are only estimates and you can bid higher or lower. It is recommended, however, if you want the lot, bid close to or over estimate.
8. Minor's bids will not be accepted.
9. All coins are guaranteed genuine. No lots may be returned without written approval. In the unlikely event of returning a lot, we must receive notification of bidder's intent within three (3) days of his receipt of lot. No lots may be returned after this period except for reason of authenticity. Lots returned must be housed intact in the original holder. No lots purchased by floor bidders may be returned.

## Bidding In An Unreserved Auction

In an unreserved auction, there are no hold or reserve bids on any lots. Each lot is sold to the highest bidder.

In bidding by mail, it is possible to purchase a coin at a price less than your maximum bid. The following is an explanation of the mail bid procedures followed by this company:

Bids are recorded as they are received. At the close of mail bidding, the highest and second highest bids are transferred to the bid book.

On the floor of the auction, bidding is opened at 5 to 10% above the second highest mail bid. This bid is submitted by our company acting on behalf of the highest mail bidder. If the auctioneer recognizes no other bids from the floor, the highest mail bidder is awarded the lot at the opening bid. If bidding proceeds from the floor, the company, acting as the mail bidder's agent, registers bids in 5 to 10% increments over the previous bid. This process is continued until the mail bidder is awarded the lot, or the next bid is higher than the mail bidder's maximum bid.

An example of this procedure is set forth under these conditions:

On lot 25, highest mail bidder submits a bid of \$100, second highest mail bid is at \$50. In this case, bidding on the floor starts at \$55, and is bid by our company on behalf of the highest mail bidder. If no other bids are submitted by the floor, the highest mail bidder, who bid \$100, has purchased the lot for \$55. If other bids come from the floor, we bid for the highest mail bidder in 5 – 10% increments, as set by the auctioneer, until we reach the mail bidder's maximum bid of \$100. Since bidding has passed the mail bidder's maximum, we take no other action, and the bidding continues on the floor until the final purchaser has been recognized by the auctioneer.

Using this procedure, the mail bidder retains many of the advantages of the floor bidder.

As outlined above, it is clear to see that coins can be purchased at a price less than the maximum mail bid. This method of bidding for mail bidders is followed in this and all of our auctions.

## Quantitative Grading

The quantitative grading system is utilized in describing and grading all coins in this catalog. The quantitative grade will be used in conjunction with the traditional letter grade in order to best describe the condition of the coin.

On occasion, we will use a plus (+) to designate that a given coin is somewhat better than the quantitative listed grade, but not nice enough to qualify for the next highest number. An example would be a 45+ grade which would be the equivalent to EF/AU.

Poor	=	1	Extra Fine	=	40 and 45

## EARLY HALF DIMES

- 137 1794 CHOICE ALMOST UNCIRCULATED  
(50+) With the exception of two mint state  
specimens we saw last year, (both priced in  
excess of \$6,500,) this is the nicest 1794  
we have ever encountered. It is nicely toned  
with some very light adjustment marks on  
the obverse. Absolutely no defects mar the  
beauty of this coin. (See color photo)  
(\$1,750 - \$2,250)
- 138 1805 EXTREMELY FINE (40) Very clean  
planchet with tinges of mint luster. Some  
slight weakness in striking. This coin is nearly  
as rare as the heralded 1802 with the approxi-  
mate same mintage. Should prove to be a  
wise investment to the astute buyer. (See  
color photo) (\$1,000 - Up)

## EARLY DOLLARS

- 583 1794 FINE/VERY FINE (15+) A rarity of the highest order. We have seen far inferior pieces graded very fine on many occasions. In fact this is probably the 4th or 5th finest piece that has been on the market in the last year or two. It has the typical weakness in strike around the lettering and there are a few non-significant adjustment marks at 7 o'clock on the obverse. Overall a very desirable coin. (\$9,000 - Up)
- 584 1795 ALMOST UNCIRCULATED (50) A very attractive coin. Virtually full detail with only the slightest wear on the high points. Some mellowed toning toward the edges but mostly brilliant. No adjustment marks or defects of any kind. A perfect type coin. (see color photo) (\$3,500 - Up)
- 585 1798 VERY FINE (30) Close date. Attractive toning (\$350 - \$500)
- 586 1798 FINE (12) Wide date. One rim bruise at 1 o'clock. Otherwise clean. (\$250 - \$350)
- 587 1799 FINE (12) Light scratch across face. (\$200 - \$300)
- 588 1799 VERY FINE (35) A defect free piece except for the initials W. P. engraved to the left of the date. (\$150 - Up)

## SEATED DOLLARS

- 589 1846-O CHOICE ALMOST UNCIRCULATED (55) Full luster with very attractive blue and gold toning about the periphery. A choice piece of this date recently brought \$2,750 in auction. (\$500 - Up)
- 590 1847 EXTREMELY FINE (45) (\$125 - \$175)

# SEATED DOLLARS (cont'd)

- 591 1848 EXTREMELY FINE (40) A low mintage date. (\$175 - \$275)
- 592 1853 GEM BRILLIANT UNCIRCULATED (65) 100% full mint luster with just the slightest tinge of toning. A very scarce date in this grade. A premium coin and worth a good bid. (See color photo) (\$1,750 - Up)
- 593 1860 CHOICE PROOF (60+) Beautiful toning. A few very minor hairlines. (See color photo) (\$1,000 - \$1,250)
- 594 1860-O GEM BRILLIANT UNCIRCULATED (65) Much fewer than average bagmarks. (\$600 - \$800)
- 595 1871 PROOF (60) Attractive deep purple toning. A very few light hairlines. (\$800 - \$1,000)
- 596 1872-CC VERY FINE (20) (\$375 - \$525)
- 597 1873 CHOICE PROOF (60+) Fully brilliant with no toning whatsoever. A few very trivial hairlines. (\$1,000 - \$1,250)

- 624 1892-S GEM BRILLIANT UNCIRCULATED (65) 100% fully struck with full blazing mint luster. A few light bagmarks but absolutely no heavy marks what-so-ever. The second scarcest Morgan Dollar in Uncirculated condition and certainly one of the nicest extant. Worthy of the finest set of Morgan Dollars and very recommended. (See color photo) (\$10,000 - Up)

- 691 1855 CHOICE ALMOST UNCIRCULATED  
(55) An underrated date in high grades.  
(\$650 — \$900)
- 692 1870 EXTREMELY FINE (40) Nice even  
wear. Some mint luster. (\$550 — \$700)
- 693 1878 GEM BRILLIANT UNCIRCULATED  
(65) Fully struck with blazing mint bloom.  
Some evidence of the copper alloy on both  
the obverse and reverse. Still a premium  
coin and worth a good bid. (See color photo)  
(\$1,500 — \$2,000)
- 694 1879 GEM BRILLIANT UNCIRCULATED  
(65) Very nice color and mint frost. Only  
one very small mark on the cheek detracts  
from the overall beauty of this coin. A  
virtually perfect coin worthy of a premium  
bid. (See color photo) (\$1,750 — Up)
- 695 1888 CHOICE BRILLIANT UNCIRCULATED  
(60+) One small mark in front of Liberty's

make a very nice type coin. (\$1,000 — \$1,500)
- 696 1888 GEM BRILLIANT UNCIRCULATED

a runaway bid. (See color photo)  
(\$1,500 — Up)

and a few assorted surface marks. 80% of the  
proof surfaces still remain however, giving  
the coin an attractive appearance. (\$750 — Up)

# FOUR DOLLAR GOLD

- 698 1879 CHOICE PROOF (60+) The famous  
"Stella" was struck as a pattern piece but has  
generally been considered a regular issue.  
As a type it is probably the most famous of  
gold coins. This specimen is the flowing hair  
variety (mintage 415), and is almost a gem.  
A very pleasing coin and a wonderful oppor-  
tunity for the astute bidder to acquire one of  
the great rarities in United States Coinage.  
(See color photo) (\$18,000 — Up)
